# STORM DOORS

Designed to conserve heat in the winter, ventilate during the summer, and beautify and protect Canadian homes year-round.

Virtually maintenance-free.

Wide selection of standard baked-on enamel finishes are available to complement your home's colour scheme.

Advance Exteriors uses a higher-quality custom storm door featuring:

- Reinforced Die Cast Corner
- Four Heavy Duty Hinges with Oil-Lite Bearings
- 3mm Tempered Glass
- Black Durable Aluminum Screen
- Superior Weatherstripping System
- Colour-Matched Heavy-Duty Hardware for Smooth Operation
- Backer Angle for a Complete Finish
- Conforms to CGSB Standards

801 - Self Storing

805 - Tri Lite

One Lite

803 - Full View

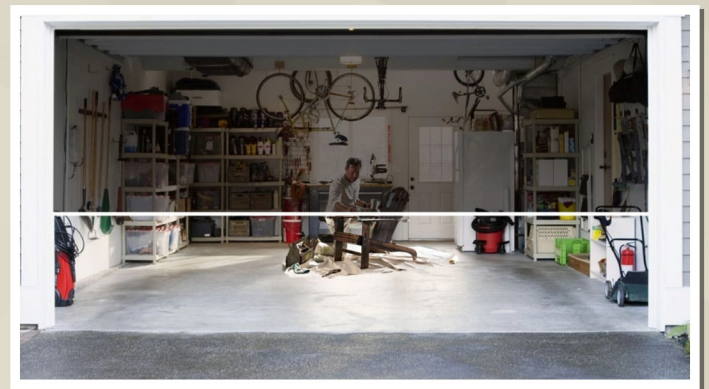

802 - High View

## Screen Doors

- Can be installed onto most new or existing doors as well as overhead doors.
- Low-profile hidden housing that can be pulled in place when needed.
- Custom latching system that releases if a person or pet runs into the door.
- Provide convenient insect control and UV protection.
- Easy one-handed operation.
